Peace Of Mind*

- “Maximum” wind coverage up to 130 mph Category 3 hurricane wind speed available?
- Installer certified?
- Tear-off cost included (when necessary)?
- Warranty transferable?
- Free Transfer?
- Good Houskeeping protection on roofing systems?

Up To 50 Years Of Non-Prorated Protection!*

* Ask about our ltd. warranty for complete coverage and restrictions. Note:

- 50 year 100% coverage period for manufacturing defects applies only to lifetime shingles installed on single family detached residences owned by individuals. For all other shingles, structures and owners, coverage period is 20 years.
- Installer certification is only for installations covered by GAF system warranties.
- Maximum wind coverage requires special installation
- The word “lifetime” means for as long as you, the original owner (or the second owner, if coverage was properly transferred during the first 20 years), own the property where the shingles are installed.
